

ULTRASONIC

Automatic Medical Mask Making Machine

SE-RB500

20Khz
Power 18KW

 +91 7202021441

Website: www.ultrasonicweldings.net

Technical Data

◆ Model	SE-RB500
◆ Brand	Sheetal Sonic
◆ Technology	Ultrasonic
◆ Accuracy	Good
◆ Efficiency	Excellence
◆ Voltage	220V-50/60Hz
◆ Weight	2000Kg
◆ Power	18KW
◆ Frequency	20Khz
◆ Size	10000x3000x1800MM
◆ Air Pressure	4-6KG/CM2
◆ Capacity	60-90PCS/MIN

Functions And Features

- ◆ The machine automatically blank, trimming and folding welding process, the replacement of the mold can be processed into folded masks of different shapes of the body.
- ◆ PLC automatic controlling, automatic counting.
- ◆ Easy conditioning and convenient refueling.
- ◆ The mold uses the extraction method for the rapid replacement of mold and producing different types of molds.
- ◆ The whole machine adopt aluminum alloy, the parts after plating processing, make the whole machine beautiful, strong and doesn't rust.
- ◆ Advanced equipment for feeding and rewinding the materials.
- ◆ High stability, low failure rate.
- ◆ High stability, low failure rate.

Machine Details

The Automatic Medical Mask Making Machine adopt ultrasonic welding method, equipped conveyer device, put the semi-product onto conveyer device, through pull tube Covered edge, use ultrasonic design roller welding, and cut off the band, and output the finished-product. Only need one worker to put the semi product onto the conveyer device, all the other actions finished by medical mask making machine. the main features are Automatic counting can efficiently control the production efficiency and schedule, Machine frame adopt alloy aluminum, beautiful shape and not rust, Inverter control, the production speed can be adjusted according to the request, Pull tube feeding, positioning is more accurate, it can control to a minimum width of raw materials and save cost etc..

Product Sample

We “**Sheetal Enterprises**” are Manufacturer of Ultrasonic Plastic Welding Machine, Face Mask Machine, Ultrasonic Horns, Non Woven Bag Making Machine, Ultrasonic Hand Gun Welder, Ultrasonic Lace Sewing And Cutting Machine and a variety of machines. We direct all our activities to cater the expectations of customers by providing them excellent quality products as per their gratification. Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers.

Our Factory is Located on **Kathwada** & Also Another **Bavla** in Gujarat State of India.

Ultrasonic Machinery Manufacturers

LL-2, Avani Plaza, Satellite Towers, Opp H.P Petrol Pump,
Satellite, Ahmedabad - 380015. Gujarat, India.
